Dear Clerk,

I need a copy of the order of discharge entered in my above referenced case. I am aware that there is a charge for copies, and will forward that to you once I know the copy cost and any postage. Since I am in prison and don't have access to the internet, I can't use the electronic filing and copying alternative.

Please write me and let me know the cost of sending me a copy of the order of discharge (Case # 04-50795 - Docket # 356). Once I know the cost I will send, or have a check sent to you for the cost of copying and any postage.

Thank you for your help.
